16 May 2012

The Dorset Branch Spares Department has been updated and now has parts for sale to members at normal prices . It is hoped to provide a sales table at Clubnights and at events throughout the year. We can order in parts which we don't have in stock, but you may have to accept a postage charge, depending upon the item. Items as listed below have no postage allowance, provided that they are in stock and collected in person. Please try to make use of this service, since any surplus made will be to the benefit Branch funds

(total part lines available - 309)
