Dear Exhibitor,

We are delighted to invite you to our annual Grand Summer Gala on 15th & 16th June 2024.

Key details for the event are as follows:

- The event will take place over 2 days and include intensive operation of the steam railway, miniature traction engine display and parade, full size steam vehicles, classic cars, tractors, stationary engines, military vehicles and other family attractions. Previous events have been well supported and proved very popular with both the general public and exhibitors.
- Hot drinks will be provided free of charge, for which vouchers will be supplied (maximum 2 adults per exhibit), therefore, please ensure you specify the number of people attending on the entry form. You will also be welcome to a ride on the train.
- We would be very pleased if you could attend our summer barbeque on the Saturday evening at Kingsmere Station. External caterers will be supplying barbeque food and there is a contribution of £12.50 per person in advance so if you wish to attend the evening barbeque please make payment in advance. Our preferred method is bank transfer (bank details below) when returning your entry form, or please call to arrange payment. As we must have numbers in advance for catering purposes I'm afraid we will not be able to take payments or add additional persons to the barbeque list on the day.
- Free parking is available for a maximum of 2 cars per exhibit. Please confirm car registrations on the entry form.
- Limited camping is available. If you wish to camp, access to the camping area will be between 2pm-6pm on Friday 14th June – there will be strictly no access to the site before this time. On 15th & 16th June 2024, please arrive by 10am to allow enough time to set up before opening to the public. Camping spaces will be allocated on a first come, first served basis with a strict limit of one tent/caravan per exhibit. **Due to the bad weather of previous years, we are unable to confirm camping facilities until 2-4 days prior to the event.**
- All exhibits must have their own Public Liability/Motor Insurance and steam locomotives must also have a current Boiler Certificate. **Copies of these documents are essential to confirm your entry to the event.**
- Coal and water supplies will be available for steam vehicles at Kingsmere Station.
- Attached you will find an Entry Form. Please complete all sections of the form and return by email to paul@moorsvalleyrailway.co.uk by **Sunday 31st March 2024 latest**, along with any payments if attending the evening barbeque. We are unable to accept entry forms and any paperwork on the weekend of the event. If we have not received your documents prior to the event, entry will not be permitted. Your entry packs will be ready for collection on the day of your arrival.
- Bank details for barbeque payment:
Lloyds Bank
Account Name: Narogauge Ltd
Sort Code: 30-93-25
