Editorial

Hello everyone, Another busy month has flown by and the Equinox has arrived so the days are no longer than the nights now. The gardening competition last clubnight seemed to go well and thanks to all those who contributed and 'well done' to the winners.

I went round to help Graham Melly early in the month with the installation of his engine and gearbox into his 1954 Series 2 restoration. Another milestone passed and hopefully there will be a pictorial update from him soon. In other Morris Minor 'news' I have replaced the 1:3.9 differential in my convertible with the 1:4.2 that it came with. This has made it a little more pleasant to drive with the engine speed in each gear now being higher at the same road speed. It was my contention that the 5th speed in the gearbox looks after that and that to have the lower diff ratio as well, was just greedy. So if anyone needs a good 3.9 diff for £250 come and see me.

On 16th September we took a drive up to the Bristol Branch Rally which was held at the East Somerset Railway centre at West Cranmore near Shepton Mallet. The Bristol Branch made us very welcome. It was well attended and we had a very pleasant day out with a ride on the steam train as well. The final classic 'excursion' of the month was the weekend trip to attend the Sidmouth Classic Car Show on 23 September. Five families attended and most of us stayed in the Royal Glen Hotel in Sidmouth which is barely a stone's throw from the cricket ground where the show was held on Saturday. Congrats to Laurie who managed to win the only prize of the day which was a trophy for the best classic car historical story.

We were sorry to hear of the sad passing of branch member, Clive Silcock during the month.

Gardening Competition 2023

Thank you to all - a great turn out. As you know Marilyn Kellow stood down as a judge owing to Roger's health. Jackie Walker took her place alongside Sue Cooper and we also brought Eddie Pate-man out of retirement as a third judge. Considering the weather we have had this year we were delighted with the amount of pro-duce and flowers exhibited. Next year it is intended to hold the competition in AUGUST 2024 with a slight change of categories - any suggestions would be most welcome

Photos from Yeovil Steam Centre Show 20th August

Beautiful day, with a well organized classic cars, BBQ, and train rides.

We had the only 1938 taxi, plus mad max type of car. Minis, panther, lots to look at. Voted competition for best car.

The railway had as many rides as you wanted. It's only 1/4 mile at the mo-

ment but looks to expand. Volunteers dressed up as steam punk. As well as plenty of tea being served with either a full English or bacon rolls. Let's hope we get another next August.
Regards Glynis.

Dear Laurie

I wanted to write to thank you and the Morris Minors Owners Club very much for your kind donation of £300.00 in memory of Mike Sheppard. We are very grateful that you chose to support Julia's House in this special way. We are so sorry to hear of your loss.

Your donation will help to provide frequent, regular support wherever and whenever it is needed - home, in the hospice or in the community - and helps to break the cycle of exhaustion and isolation giving parents a much-needed break. Thank you for changing lives.

On behalf of everyone here at Julia's House, thank you.

We learnt recently that Branch Member Clive Silcock passed away after a bout of Covid. We send our sincere condolences to his family. Some will remember his 1944 wartime Austin 'Tilly' van GOT 620 which was a familiar sight at various rallies and Military Vehicle parades.

Secretary's Report

September started off with the Isle of Wight rally. As usual it lands on the same weekend as the Beaulieu Auto-Jumble, but nevertheless was still well attended with a large selection of Morris cars as well as some other classic marks. The 'Old Girl' open top bus gave a brilliant ride out, although you did have to watch out for tree branches! The rally programme included a magnetic badge which has joined the others under the bonnet, my earliest one being 2013. The Dorset members did particularly well in the raffle winning several prizes.

We have just returned from a weekend in Sidmouth where we attended the Sidmouth Car Show. This was a very good show with over 300 cars, held on the cricket pitch which is in the middle of town and has a great view of the sea. There were some amazing cars in the show, everything from an Aston Martin DB5 to a Citroen 2CV which had completed the Paris to Peking rally. It was a real surprise when Laurie's car was asked to be moved up to the front in the prize winner's enclosure. He was out having lunch at the time, so Brian managed to find a key 'that fit' and moved it for him! Laurie did eventually return

in time to collect his trophy and give a brief talk about the history of his car 'Bobbie'. We think that it was the story behind the car that won it.

We were travelling home on the Sunday when the Simply British event was on at Beaulieu, I hope everyone had a good day out. We stopped off at Lyme Regis on the way back for lunch. It was very windy and some of us got a bit wet walking along the Cobb when a wave crashed over the wall and soaked us.

This month is the annual AGM, thank you to everyone for your support over the past year. We hope that you've enjoyed everything the club has to offer.
Ian

Chairman's Report

Greetings and welcome to the October edition of the newsletter. Tonight, of course, is the annual AGM and I would like to thank everyone for their support throughout the year and for turning up for what I know is not the most exciting evening in the club calendar!

Many thanks to Martin and Sue for organising the gardening competition last month and thank you to everyone who brought along their green fingered creations.

The full report and list of winners is elsewhere in this edition.

September has been a busy month starting off with the Beaulieu Autojumble which, as you know, I try to never miss. Two full days of hunting through the Autojumble stalls looking for those hidden treasures can be extremely tiring but luckily for us John had a stall again this year meaning that we had somewhere to rest our weary legs when we needed to. Although I didn't buy as much as last year I still had a fantastic weekend as I always do.

The following weekend was the Bournemouth and Poole Preservation Clubs event at Harmans Cross. This was an excellent show with a really good selection of exhibits ranging from cars and commercials to motorbikes and vintage caravans. We also enjoyed a couple of rides on the Swanage Railway which Lewis particularly enjoyed.

As I write this we have just returned from our weekend away in Sidmouth where we attended the Sidmouth Classic Car Show. This is the first time that I have taken the Series II down to Sidmouth and I was very pleased with how she performed. The lack of power from the little 803cc engine did show however on some of those large hills. Although she didn't miss a beat all the way, the climb up Chideock Hill in 1st gear and at a steady 8mph was quite painful! We were extremely lucky with the weather which meant that the show could go ahead and what a fabulous selection of cars there was. There really were some perfectly restored examples on show so you can imagine my surprise when I was told that Bobbie had won the Car of the Show. The award is presented annually to the car that the judge would most like to take home and that has a good story to boot. The judge particularly liked Bobbie's history and that is what swung it.

Our next club event will be our run out to Sherborne. Please can I ask that you get your booking forms in to Jacky by tonight please. You will also see that the details have been finalised for the Dinner and Dance and the booking forms will be available next month.

We have started to think about Moggyfest 2024 already and I have been wondering what we can do without the fantastic artwork of Roger. We have come up with a plan, however, and the theme we have chosen is "barn finds". We are planning on recreating

a barn within the marquee so if you have anything suitable that we can borrow we would appreciate it.

Progress has been rather slow on the 4 door but a few small jobs have been done and she is really just waiting for the welding to begin. I had been contemplating buying a Portafold caravan for sometime and I'm pleased to say that I have now found one though the pages of the Portafold facebook group. She is in very good order considering she's 51 years old but I do want to do a few jobs to improve her and perhaps paint it to match the 4
